Re: Form 1, Statement of Organization—Unlimited Contributions

To Whom It May Concern:

This committee intends to make independent expenditures, and consistent with the U.S. Court of Appeals for the District of Columbia Circuit decision in *SpeechNow v. FEC*, it therefore intends to raise funds in unlimited amounts. This committee will not use those funds to make contributions, whether direct, in-kind, or via coordinated communications, to federal candidates or committees.

We believe that in the state of Arizona, higher education has the potential to dramatically transform the state into the national leader that Arizonans have long believed possible. Unfortunately in the present state, higher education in Arizona is at a crossroads, existing in a political context that is both unresponsive and unsupportive to the needs of its institutions or students. Therefore, we hope to advance the interest of the largest university in the state, Arizona State University, so that it may continue to be an economic and social engine for the state of Arizona and the nation as a whole.

Respectfully submitted,

Nicolas Gerard
